The Wildland Firefighter Apprentice Program (WFAP) is an educational program designed to enhance and develop future Fire and Aviation Managers. The intent of the Program is to take an entry level firefighter and provide education, training and paid work experience over a 12 to 48 month period, depending on experience. Initial appointments are permanent seasonal: guaranteed 13 pay periods (6 months) plus 2 pay periods as needed. Upon completion of program requirements, Apprentices are eligible for noncompetitive promotions to the GS-462-5 Forestry Technician "Firefighter Type 1" without further competition and will be reassigned to a Permanent Full Time (PFT) position on a specific Module/Crew. Some positions may require a Commercial Driver's license. Apprentices may be subject to random drug testing.
